

# WHY DO PATIENTS CHOOSE CARDINAL PHARMACY?

Cardinal Pharmacy goes above and beyond the expectations of your average retail pharmacy chain. We are **locally owned and operated** and completely free of “big business” control. **This allows us to stay true to our values and our customers.**

Cardinal Pharmacy is dedicated to serving clients the old-fashioned way. We strive to meet the personal needs of all our neighbors by offering the opportunity to actually converse with a pharmacist. Customers are often greeted by name and are always welcomed with a smile.

**Your health is our priority.  
Come experience the Cardinal  
difference today.**

- Pain relievers (Tylenol, Aspirin)
- Incontinence Diapers
- Cough and Cold Remedies
- Skin Creams and Lotions
- Shampoo, Deodorant, and Hairspray
- Vitamins
- Soft Drinks (Coke, Pepsi, and more)
- Wound Care Products
- Antacids and Stool Softeners
- Laxatives
- And Much More

# OUR SERVICES

✓ **Compliance Packaging:** Easy-to-manage medication packs

✓ **Medication Synchronization:** Convenient refills, all at once

✓ **Nutritional Supplement Delivery** – Vitamins, Ensure, Premier Protein, Boost, etc.

✓ **Immunizations** – Stay protected with essential vaccines

✓ **Compounded Medications:** Described below.

## Compounded Medications

Compounded medications allow prescription drugs to be individualized to a patient's specific needs. For example, we can customize medicine to the size or weight of the patient. We are able to produce the following:

- Capsules, tablets, and troches
- Creams, ointments, and lotions
- Transdermal gels
- Suspensions, solutions, emulsions
- Etc.
